Eradicate Hate seeks proposals on innovative sessions for the Global Summit October 21-23, 2024! Proposals may take the form of panels, working sessions, special events, or tables. Each session must include at least one specific deliverable.

Please submit proposals including topic, potential speakers, desired length, deliverable, and anticipated impact to Neil Saul at [nsaul@eradicatehatesummit.org](mailto:nsaul@eradicatehatesummit.org) by April 19, 2024. We will give priority consideration to proposals that include a diversity of perspectives as well as tangible deliverables.

The Eradicate Hate Global Summit was born out of the October 2018 massacre at Pittsburgh's Tree of Life Synagogue. The Global Summit provides a unique, multidisciplinary forum to share ideas and build working relationships to drive the development and deployment of effective approaches to reduce all forms of hate-fueled violence.
