*Programs & Initiatives*

## Prevention Practitioners Network (PPN)

PPN is a national network of over 1,500 interdisciplinary professionals dedicated to using public health approaches to prevent hate-fueled violence. Through this program, the EHGS team conducts capacity-building workshops, shares the latest research, publishes practice guides, and facilitates case consultations to support a wide range of prevention professionals. PPN also maintains a National Directory, which includes over 75 clinicians and provides access to 220 resources aimed at preventing hate-based violence. Download the mobile app:

## Invent2Prevent (I2P)

Invent2Prevent is an innovative, experiential learning program that challenges high school and college students to design, implement, and measure the success of a unique initiative, product, or tool that addresses acts of targeted violence, hate crimes, or terrorism in their specific communities. More than 1,200 students in 40 states and the District of Columbia have participated in I2P since Spring 2021. DHS CP3 provides full program funding to Eradicate Hate, EdVenture Partners, Media Fusion, and DCG Communications to guide, coach, and support teams throughout the program period.

## UP End Hate

Building upon the success of SCREEN Hate campaign, UP End Hate is the nation's first comprehensive upstander initiative designed to equip young people, ages 12-22, with the skills and resources to prevent hate-based violence in their communities.
